

Chapter 5

My heart keeps
going faster
and faster.

North-eastern Signing (Hakozuka Sakura Apartments Negoshima Toubu temporary housing)

I went on a visit to see Hyogo prefecture residents.

Before going, I was worried that even if an unknown manga author like myself went, nobody would be excited about it.

But amongst the people who showed up, there were people who knew me, and I was very happy to have pleased them.

Even people who didn't know me were pleased when I did some illustrations or caricatures of them.

Because that happened, I felt happy for the first time that I have drawing ability.

For example, even if I'm not famous I can make people happy with what I do.

I went there to cheer up victims of a disaster, and yet it was me who was cheered up. I'm truly grateful to all the people who I met that day.

I want to continue trying to become a manga author who can make people happy.

There was that time
Subaru tried
to confess
to me and
I avoided it..

I forcibly
kissed
Subaru.

I noticed you
like Subaru
too Makoto-san,
and etc.

This time
I kissed
him.

Because I
wanted to
be honest
about my
feelings.

I'm
sorry

Though it came
across
as if I
stole the
march on
you.

What a strong person she is...

Right now
I still don't
want to see
Sakuru-kun's
face

What
should
I do?

Hinako
you're
there,
right?

Hinako?

If you want to see to face
right now, I think on it
my heart will be burnt from
the feeling of uncertainty

Koyasu?

I will switch with you.

fourth hunt, it must be hard to do it with one hand.

I wonder what we should name him.

He was competing with Kojima, so I think Musashi is a good choice. ♡

Thanks

Tha...

Doki

Yeah.

It wasn't
Subaru-kun's
fault at all.

But...

But I didn't want to see it

The sight
of him
loving
another person.

Even
though
I'm dating
Hinako.

I'm
really
sorry

Mu-
ah?

More importantly
I will introduce
Subaru-kun to
Mitsuki as well

It's okay
I'm not
worried
about it

O-Okay!

Let's hurry up
and dry your
hair so we can
go play with
everyone

It's okay

Can't the
new car
do pretty
well at
down.

Eh?

Seriously?

Hanayagi-san
kissed
Subaru-kun?

Could it
be from
that time?

There's a
girl who
overheard
Hanayagi-san
talking about
it.

Why does
everyone
know?

We heard
Hanayagi-san
pushed all
the school
committee
work onto you?

Ah,
Mudou-san.

She truly
is the
worst
type of
woman!

Did you
get hurt
from that
too?

Eh?
What?

Everything
else
is natural.

Why?

Other
than
the
last...

Yep,
it's
true.

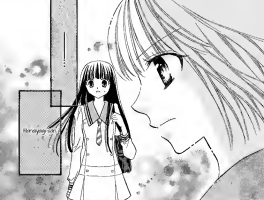

I kissed
Subaru-kun.

What?

Isn't
everyone
like that
as well?

Saying I
kissed him
because
I love him
is natural.

!!!

Her only friend

Those of
you who have
nothing to do
with it, shut
your mouths

What
are you
getting
so noisy
about?

Kyaaa

This is a
problem
between
me and Mei

It can't be
that they
are doing
already?

No
way!

I wonder if I would
be able to stay
strong like her

If I was Haruyagi-san.

I sure need to
become much
stronger.

I don't even reach
Haruyagi's
strength.

I don't compare
to Haruyagi's
strength.

*Study Wang
becoming more
and more alienated
at night*

There may not
be a need to
save her

Even when
she's alone
Honopoo-san
is so strong

I wonder if she's

Really that way?

but she has
said so much

"We heard
Honey-pig-san
pushed all
the school
committee
work onto you?"

She truly
is the
worst
type of
negotiator

I'm scared
of people
talking badly
about me.

From Honey-pig-san.

Really
scared...

But
that
is...

Even I think that,
because I like
Subaru-kun and
I want to kiss him

Because I truly
think my wish to
kiss him is as
serious as my
feelings for him.

Heard from
Subaru-kun
that his
girlfriend is
Makou-san.

Kanayagi-san,
she already
is right, so.

I want to become stronger

Ah...

Why...?

Hearing that I...

That when he is together with her, he is always overflowing with happiness

He said he loved that type of place with her

Was thinking I need to be more forceful

I thought I couldn't compare no matter what

I'm going to
do my best,
in order to
be loved
more.

I won't lose.

Honeyagi-san
was the same...

For the sake
of the person
I love

Subaru, aren't
you going
back yet?

Today I'm
in the mood
to make a
feast!

Well then,
see you
later

Bye-bye

—
I already noticed

I want to touch it,
I can't help myself

It's only Hinako

"Your hair"

and
kiss

Koi x Kagi Character Introduction ②

Andou Asuka (24)

Shinako's brother. Journalist.

He only appeared once, but this is his introduction.

Seems cool, with a hard to approach image.

But he also has a clumsy side, such as mistaking Subaru for a girl.

Subaru's mum

An energetic and bright working mother.

Is not very good with household chores.

Subaru's father

Is in the Maritime Self Defence Force. He is aboard a ship and rarely comes home. He seems to be a handsome guy like Subaru-kun.
